Dear L2A team,

I was enrolled in the 8+4 Test Series CSE 2023. The pattern of questions was similar to the nature of UPSC Mains CSE. The evaluation was quick yet detailed with many inputs given as to how one can improve the quality of answers.

The videos were extremely useful as they gave insights regarding how one should approach any question. Moreover, all the topics from the test papers were covered comprehensively.

I suggest giving sufficient time to the explanation videos after writing tests to gain the maximum benefit.

My sincere thanks to Balu Sir and the entire team of L2A.

Thank you

Zufishan Haque

I joined L2A last year in 2017 as an attempt to improve my marks in Anthropology. Under the guidance of Sirs, I was able to score 350 marks in Anthropology and secure AIR 7 in CSE 2017. Sirs provided valuable feedback which helped me improve myself. The 'spiral class' & 'revision' also helped me secure my answer with accuracy. In addition, including more studies, I benefited a lot from Sirs & L2A whose similarity has helped in great difference to my score in Anthropology and Rank in civil service examination.

AIR 261

I joined L2A Anthropology test series in January 2019. Overall I had attempted 7 tests before CSE Mains and it helped me to improve my answers and provided the right simulation for the real exam. Also it helped me to fill the gaps in my preparation and gauge my performance. Some questions were asked directly from the test series.

I am grateful to Bala Sir for his support and guidance.

Thank you Sir and the entire L2A team !!

I would like to place my gratitude to Bala sir and the entire L2A staff. My success in the exam would not have been possible without L2A's help. I gained several important inputs from their anthropology test series, helping me to raise the quality of my content significantly. Bala sir was always very kind in entertaining my doubts, and suggesting me areas of improvement. His belief in me generated a lot of confidence in my abilities, ultimately giving me an excellent score in the optional subject.

Thank you sir and the entire team.
